Dear researcher,

This document contains information about access to data associated with WIELD's Wappo Project.

These data were collected in 2014. The Wappo speaker is Harry Brown, and WIELD researchers Jess Kirchner and Alex Walker can be heard on some recordings as well.

The data were collected and are released to you under a Creative Commons Attribution-NonCommercial-ShareAlike (CC BY-NC-SA 2.0) license. Information about this license is available here: <https://creativecommons.org/licenses/by-nc-sa/2.0/>

Consequently, if you make use of the Wappo data provided to you, you should attribute it to WIELD and credit Harry Brown as the Wappo speaker. Your work must also not be for commercial purposes and must preserve these restrictions.

Apart from those restrictions, the data are provided freely and without encumbrance. We hope that your use will be of benefit to the cause of human knowledge, to the Wappo community, or some other noble purpose.
